

## HONORS 383

## INQUIRY CONTRACT

**HONR 383: Study Abroad** (0 credits; may be repeated with Director's approval)

This Inquiry confirms the completion of a study abroad for academic credit through a CNU program or through the transfer of another accredited institution's credits. This Inquiry requires: (1) the Honors Director's approval of this Contract prior to the start of Study Abroad (to verify the relevance of the study to the student's long-range goals); (2) the posting to the transcript of academic credit earned through the Study Abroad.

HONR 383 will *not* result in additional credit, but serve only as a completion marker for the Honors Program requirement, using the grade of P to signify successful completion.
